Limassol, May 20-21, 2024

Lawatan ke Makmal Pemantuan Marin Universiti Kerala pada 22 dan 23 Februari 2024

Penyelaras ECOMARINE, Profesor Dr. Gergios Georgiou (Universiti Cyprus, Cyprus), Profesor Dr. José Luis Acuña Fernandez (Universiti Oviedo, Sepanyol) dan Puan Beatriz Tintoré Pujol-Soliano (Archipelagos Institute for Marine Conservation, Greece) telah melawat Makmal Pemantauan Marin (MPM/MML) Universiti Kerala dari 22 hingga 23 Februari 2024. MPM/MML telah ditubuhkan dalam rangka Projek ECOMARINE Erasmus+ project (https://ecomarine-project.eu/).

Penubuhan kedua-dua MPM/MML di India (Universiti Kerala dan Universiti Adhra) dan dua makmal lagi di Malaysia (Universiti Malaysia Terengganu dan Universiti Kebangsaan Malaysia) adalah merupakan objektif utama bagi Projek ECOMARINE ini. Makmal-makmal ini akan membenarkan pemantauan terhadap ekosistem marin, pencemaran mikroplastik dan perubahan iklim mengikut protokol tertentu dan bakal diteruskan setelah tamatnya projek di kedua negara kongsi tersebut.

Profesor Biju Kumar dan Dr. Suvama Devi dari Universiti Kerala telah membimbing ketiga-tiga pelawat tersebut dan telah memberikan butiran mengenai peralatan yang dibeli dan cara makmal beroperasi. Lebih khusus lagi, pengumpulan data dan analisis data serta protokol pelaksanaan telah disemak dengan input daripada kakitangan MPM/MML.
